"Profound, ironical, funny, moving and ultimately
astonishing, *Songs for Nobodies* is outstanding
entertainment." - Manawatu Standard

I am so excited to be bringing you a show very close to my heart, *Songs for Nobodies* where I play five 'nobodies' who each have a very personal encounter with a 'somebody' - Judy Garland, Patsy Cline, Edith Piaf, Billie Holiday and Maria Callas.

Both my shows *A Doris Day Special* and *Legendary Divas*, enjoyed sell-out seasons at Circa, and *Songs for Nobodies* is another one woman show which celebrates amazing artists. I launched it at the Court Theatre in Christchurch in 2017 and am now touring it throughout NZ along with the United Solo Festival in New York on 42nd Street.

For my 4-week season at Circa, I am going to be in great company with Daniel Hayles on piano, Johnny Lawrence on bass and Lance Philip on drums and percussion sharing the songs and stories of the superstar women I am so honoured to portray in *Songs for Nobodies*.

I look forward to seeing you there!
